Julie Dickerson Environmental Hazards Services LLC 7469 Whitepine Road Richmond, VA 23237

Dear Julie Dickerson:

Thank you for your application for renewal in the Environmental Laboratory Accreditation Program. Attached are the new Certificate and Scope of Accreditation covering the one-year period effective June 30, 2019.

Your WA laboratory accreditation is based in part on your Virginia VELAP accreditation.

As a reminder, continued participation in the Ecology Lab Accreditation Program requires the lab to:

- Submit a renewal application and fees annually
- Report significant changes in facility, personnel, analytical methods, equipment, the lab's quality assurance (QA) manual or QA procedures as they occur
- Participate in proficiency testing studies semi-annually, with the following exception: For each parameter where all PT results were satisfactory, you are required to submit only one PT result over this next year, and in subsequent years, as long as the results are satisfactory.

If you have any questions concerning the accreditation of your lab, please contact Rosana McConkey at (360) 871-8843, fax (360) 871-8849, or by e-mail at rosana.mcconkey@ecy.wa.gov.

Sincerely,
